Undergraduate (Merit-Based) CW Category Admission for the session 2021-22

Important information for applicants belonging to 'Children/Widows of Personnel of the Armed Forces' category seeking Admission to Undergraduate Programs (Merit-based) for the Academic Session 2021-22

- UG portal will be opened from 30.10.2021 for filling 'Course – College' preferences under this category
- Applicants should login to the UG portal using their registered email address and password. After successfully logging in, the applicants can fill up their 'Course – College' preferences on their individual dashboards from 30.10.2021 to 02.11.2021
- First allotment of seats will be displayed on the individual dashboard of the applicants on 03.11.2021 indicating the 'Course – College' allotted
- The allotted college will approve the applicants' candidature after verifying their uploaded documents for eligibility and meeting other required criteria mentioned in the Bulletin of Information for Undergraduate Programs (2021-22) with effect from 03.11.2021. After their candidature is approved by the college's principal, applicants must pay the fee through their dashboard by 5.00 pm on 6.11.2021
- However, if the documents uploaded by an applicant are illegible/inappropriate/incomplete, the applicant will be contacted via his/her registered email/phone by the respective college to resubmit the document(s). In case the applicant fails to respond and/or documents remain insufficient/inappropriate till the specified date/time, his/her candidature will be rejected

Important Note:

- The admission is purely provisional and in case the document (s) submitted online by the applicant is found to be false/ inappropriate/incorrect, as per the Bulletin of Information, the admission shall be cancelled.
- Applicants are advised to check their dashboard/email and the university website regularly for any updates in this regard.
- No further grievances will be entertained by the university in case the applicant has either not applied or not made the payment within the stipulated time.
- If an applicant does not see any 'Course – College' in his/her dashboard, it indicates that his/her admission in the desired course-college has not been confirmed.
