## Guidelines for JAT Spot Admission 2021

To be part of the spot allotment rounds applicants are required to apply online on the Form provided for the purpose during the date and time provided for the purpose. This will be done before the First Round of the Spot Allotment.

Applicants in all categories are eligible for spot allotments.
This includes:
(i) applicants already admitted in BMS/BBA(FIA)/BBE and wish to upgrade their college as given in their preferences,
(ii) those who failed to take admission when they were allotted a seat
(iii) those who cancelled or withdrew their admission for any reason, and
(iv) those who have never been offered admission to these three courses.

For applicants already admitted, registering for Spot Admission implies that existing admission would be cancelled if the candidate is offered admission in a college and course higher in the preference order.

Applicants who have applied for Spot Admission will be allocated college as per their admission category, their rank and vacancy in colleges.

Following is the link for schedule of spot admission:

https://admission.uod.ac.in/?UG-Admission/Entrance-based-Admissions

There may be one or more rounds of spot allotment depending on availability of seats.

**Link for applying: https://forms.gle/o7FcNHHHb7GLNARQ9**

**Last date and time to apply: November 20, 2021 5PM**

**Kindly note that applying for Spot Admission does not guarantee admission. Admission process will be completed only after online verification of documents, fulfillment of eligibility criteria and payment of fees within the stipulated time.**
