**PHYSICAL TRIALS FOR ECA ADMISSIONS 2022: DETAILED SCHEDULE AND
ADDITIONAL INSTRUCTIONS**

The trials for the ECA Admissions 2022-23 shall begin from Tuesday, 18th October, 2022 to Thursday, 27th October, 2022. The detailed table of ECA trial schedule is as mentioned after the instructions.

The candidates are advised to keep in mind the following instructions while reporting for physical trials, as applicable. These instructions are in addition to those already published “Instructions to candidates for Physical Trials” for ECA seats. (Available at: <https://admission.uod.ac.in/?UG-Admissions/ECA-Supernumerary-Quota>)

1. In case there is any clash of dates for candidates appearing for more than one ECA category, please note the following:
 - a. For those categories where only single date for trial is mentioned, no request for change of date shall be considered.
 - b. For other categories, the candidate may request (with suggestion of some other suitable dates ONLY FROM AMONG the dates available for the trials of the given ECA category/sub-category) for a change of date.
 - c. For all such issues, the candidates have to write a mail with details and proof of residence (residence proof required only in case of outstation candidates) to eca@admission.du.ac.in, not later than 17.10.2022.
2. Besides clash of dates, no other reason/ request for change of dates shall be entertained.
3. Inability of the candidate to reach the venue, not being aware of instructions, etc. will not be counted as any reason for consideration for trial on any other date/time.
4. Maximum permissible time allowed per candidate for physical presentation during the trials shall be as per the “Instructions to candidates for Physical Trials” for ECA seats. (Available at: <https://admission.uod.ac.in/?UG-Admissions/ECA-Supernumerary-Quota>), and/or as announced by the assessment committee on the date of trials; but the assessment committee will have the discretion to conclude the presentation at any point in time or may grace some additional time too, as per the situation.

5. For ECA categories of Music Vocal and Music Instrumental (all sub-categories included), the candidates may get an electronic instrument too, as per the requirement, in case the accompanist cannot be present.
6. The candidates have to report half an hour before the scheduled trial time slot, for attendance, counter signing the marks awarded on the basis of certificate evaluation, etc.
7. Since these are in-person trials, the given time slots may sometimes vary due to unavoidable circumstances. The candidates are therefore advised to make suitable arrangements for food, water, any medicine, etc., for a longer than stipulated time period.
8. Use of any gadget/ other unfair means may lead to cancellation of the candidature under ECA quota. This especially holds for literary categories, like creative writing, debate, quiz, etc., where the candidate is likely to use the internet for ideas/answers. Use of only those gadgets is allowed as applicable under some ECA categories.

It is reiterated that these instructions are IN ADDITION to those already uploaded as “Instructions to candidates for Physical Trials” for ECA seats (Available at: <https://admission.uod.ac.in/?UG-Admissions/ECA-Supernumerary-Quota>) and should be read in consonance with the same.
