Geol./2022/ 401
26th December, 2022

Dear Candidate,

This has reference to your application for Ph.D. Program in the Department of Geology, University of Delhi. I am pleased to inform you that you are shortlisted for Ph.D. admission interview to be held on **12th January 2023 from 11:00 AM onwards in the Committee room of the Department of Geology.**

Based on your performance in the interview process and availability of advertised seats with specialization, you may be assigned Ph.D. supervisor subject to approval of the list by the Faculty of Science, **Your admission will remain provisional till the University verifies all your documents in course of time. If any of the information furnished by you is found to be incorrect, your admission may be cancelled.**

Each candidate will have to submit a brief research proposal in any of the advertised area of specialization (in approx. 2500 words) and discuss the proposed research project through a power point presentation of approximately 10 minutes during the interaction with the Departmental Research Committee incorporating the followings:

- I. Your proposed theme and scope of research for Ph.D. from the specializations listed below.
- II. What are the major writings in the field in which you would like to pursue your Ph.D.? If you have made any original contributions in the field of proposed research then mention it.
- III. Primary sources/field work, methodology, hypothesis /research, questions and issues in the proposed field of interest (from the specializations advertised).
- IV. Past Research Experience, Publications (if any)
- V. Any other additional information.

Important Note:

The candidates are required to clarify the following by **31.12.2022** through replying to this email.

1. The type and amount of fellowship (copy of award letter/ certificate must be attached).
2. Out of the following advertised specialization, indicate your preference : Structural Geology; Micropaleontology – Paleooceanography & Paleoclimate; Sedimentary Geology; Geomorphology; Earth Surface Processes; Igneous Geochemistry; Stratigraphy & Sedimentology; Glacial- Paraglacial Processes and Paleoclimate & Metamorphic Petrology.
3. Percentage marks of M.Sc./M.Tech./M.S. Degree (copy of mark sheets to be attached), Convert CGPA in to percentage if required, with statement of official conversion formula.
4. Interviews will be held in physical mode. In exceptional cases where the candidate is unable to travel to the Department, a prior request citing reasons, may be sent to the HoD, Geology (email ID: noticeheadgeology@gmail.com) for consideration of online interview. Please send your requests, if any, latest by 31st December, 2022.
5. No TA/DA will be provided for attending the interview.
