Message

At the outset, I extend my best wishes to the applicants seeking admission to the postgraduate programmes of the University of Delhi for the academic year 2025-2026.

As an institution upholding the democratic and constitutional ideals of *Bharat* for more than 100 years, the University has been a true microcosm of Indian plurality and syncretism. Transparency and accountability have been the hallmark of our admission process. The University ensures equal opportunity to students from diverse — socially, economically, and physically — challenged backgrounds by providing a level playing field through the Common University Entrance Test (CUET) conducted by the National Testing Agency (NTA).
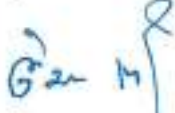

The University's h-Index was 283 in 2024, the highest among all universities in India. The Scopus Indexed Publications in 2023-2024 were also the highest among the public universities. These excellent academic milestones are reflected in various rankings: the National Institutional Ranking Framework (NIRF) has ranked the University of Delhi 6th among the universities category and 15th among all academic institutions. QS Sustainability ranking 2025 has placed the University at 1st position in India, 6th among all institutions in India, 48th in Asia and 229th Globally. QS World University ranking 2025 has placed the University at 328th position Globally. Times Higher Education: Asia University Ranking 2024 has put the University of Delhi in the range of 201-250.

I encourage you to explore the wide-ranging programmes the University offers, buttressed by its legacy of innovative teaching-learning, rigorous research ecosystem, responsible social outreach and vibrant extracurricular activities.

We are committed to attracting individuals dedicated to engaging with new ideas, exploring innovative solutions, and contributing to the public good in the spirit of *Rashtra Pratham*.

As you embark on this critical journey, I want to evoke Ayodhya Singh Upadhyay's poem *Ek Boond*, which is about the importance of surfing in uncharted waters.

ज्यों निकल कर बादलों की गोद से, थी अभी एक बूँद कुछ आगे बढ़ी,
सोचने फिर-फिर यही जी में लगी, हाय क्यों घर छोड़कर मैं यों कढ़ी।
बह गई उस काल एक ऐसी हवा, वो समन्दर ओर आई अनमनी,
एक सुन्दर सीप का मुँह था खुला, वो उसी में जा गिरी मोती बनी।
