Message from the Vice-Chancellor

As we enter the centenary year of the journey of the University of Delhi, I extend a warm welcome to all the aspirants who desire to be a part of this family and wish to join more than 500 programmes of study and research. Established in 1922 with only three colleges and 750 students, the University of Delhi has carved a niche for itself, evolving as a global centre for academic excellence and cultural diversity through its over 86 Departments and Research Centres as well as 91 colleges.

Our rich resources of more than 7 lakh students and many of illustrious alumni along with thousands of distinguished faculty members have earned us laurels throughout. It is reflected in the fact that the University has sustained the highest global standards and best practices in higher education. As a consequence, it has been accorded A+ Grade by NAAC. The University has secured 6th position in the National Rank as per the Centre for World University Ranking (CWUR 2021-22) and is at 11th position in the National Institutional Ranking Framework (NIRF) 2020. It is also among the top 10 Indian public educational institutions/universities and the first among Indian public universities under QS BRICS University Rankings. The h-index of the University touched 219 (as per Scopus database), one of the highest among Indian universities and improved its ranking in QS World University Rankings 2020 by 13 places; being ranked at 474. Further, we have been ranked at 1st position among the top 25 Central Universities and at 8th rank among top 100 universities by Outlook-ICARE India University Rankings 2019. The University of Delhi has been ranked as 501-510 in the QS World University Rankings 2022. The University of Delhi has been ranked as 601-800 in the Times Higher Education (THE) World University Rankings 2021, 201-250 in The Asia University Ranking 2021, and 182nd in the Emerging Economics University Rankings 2021.

Our constituent colleges have out-shown once again in the India Today All India Ranking Survey of Colleges, 2021. The University of Delhi has been declared as the Institution of Eminence (IoE) by Ministry of Education (MoE) and National Assessment and Accreditation Council (NAAC) has accredited it as one of the top universities in the country with a CGPA score of 3.28 with A+ grade. As IoE, the University is proud to host state-of-the-art research based institutions having inter-disciplinary/multidisciplinary approaches. We are confident that with your active involvement and support, such laurels will multiply in the years to come.

Known for its excellence in teaching research and its outreach activities, the University of Delhi deeply cherishes the principles of equality, equity and justice for all. While committed to preserving the cultural heritage of the country along with making strides through innovative pedagogy in teaching learning

processes—such as One D.U Portal. We lay special emphasis on the education of girls and women and of those belonging to the marginalized communities. While the University strives towards the highest benchmark of inclusivity wherever needed, specific programmes, schemes and facilities are provided for such persons. Empowerment of all through all is our constant endeavor.

While the North and the South campuses of the University remain the defining premises over the years it has now expanded throughout the city. We are also in the process of developing East Campus at Surajmal Vihar and a West Campus at Roshanpura near Najafgarh.

Carrying forward the spirit of expansion and excellence many of India's best-known litterateurs, intellectuals, scientists, economists, legal luminaries, civil servants, defense personnel, politicians, sports persons, film personalities, journalists, and business leaders have been students or faculty members of this institution.

Our outreach programmes, particularly our active participation in the “plastic-free-village” campaign in the five adopted villages, are indicative of our commitment to social empowerment and community engagement. Always ready to face new challenges, the University has done its utmost towards the smooth running of educational programmes and community support during Covid-19 pandemic by using innovative methods, such as, making our entire admission process contactless and online.

As stated in the *New Education Policy, 2020*, India's dream to be a global superpower in the coming decades depends primarily on enhancing the skills of its human resources to meet global demands, increase innovations and start-ups to fuel the economy. The University is fully committed to contribute its utmost to make this dream a reality.

With our visionary and guiding motto as “*Nishtha Dhriti Satyam*”; we pledge to forge ahead to be the global leader in higher education. Towards this lofty goal, we invite each one of you to join us.
