

Date: 11/07/2026

**TRIAL DATE RANGE AND VENUE FOR PHYSICAL TRIALS FOR ECA
ADMISSIONS 2026-27**

Given below (on the next page) are the likely dates, along with specified venues, for physical trials across the categories for ECA Admissions 2026-27.

Please note, that once the correction window closes at 11:59 pm on 11.07.2026, the final list of ECA applicants across ECA categories are known. Accordingly, **the detailed schedule of trials** for each ECA category, indicating **the date and time slot allotted to individual candidates, shall be published in due course, most likely by 14.07.2026**. No separate or personal communication shall be sent to candidates regarding their appearance for the physical trials. Candidates are required to report for the trials in accordance with the schedule uploaded on the University website.

Outstation candidates are advised to book their travel tickets, subject to availability, for any date within the trial date range announced for their respective category. It is recommended that tickets be booked at the earliest, without waiting for the publication of the individual trial schedule. This advisory has been issued to facilitate travel planning for outstation candidates who may otherwise face difficulties in securing travel bookings closer to the trial dates when the detailed individual schedule is announced. The place of accommodation too, if required, may be planned around the given trial venue for each of the ECA category.

Once the individual trial schedule is published, if the allotted trial date does not align with your confirmed travel itinerary, you may write to eca@admission.du.ac.in requesting a rescheduling of your trial. The University will accommodate your request by assigning a trial date that is compatible with your travel schedule, **subject to feasibility within the notified trial period.**

**Nodal Centres and Tentative Timelines for
UG ECA Admissions 2026-27**
