

Webinar on M.Sc.(Mathematics Education) offered at Cluster Innovation Centre, University of Delhi

The Cluster Innovation Centre (CIC) offers a unique program, M.Sc. (Mathematics Education), an interdisciplinary programme at the intersection of mathematics, education, technology, and innovation, designed to prepare future mathematics educators, researchers, and innovators. The programme welcomes graduates from Mathematics, Education (B.Ed., B.El.Ed., Integrated B.Ed., etc.), Technology, and other STEM disciplines.

Join this webinar to explore the programme, its unique features, curriculum, career opportunities, and future scope. The session will be conducted by the faculty and students of the M.Sc. (Mathematics Education) programme.

Date: July 2, 2026 (Thursday)

Time: 11:00 am

Mode: Online (Google Meet)
