### 3.6 SUBSEQUENT ALLOCATION ROUNDS

The University may announce multiple allocation rounds based on the availability of the seats that arise due to rejections, cancellations and withdrawals.

A candidate who chooses to “Upgrade” (refer to 3.7.1) will be considered accordingly in all subsequent regular rounds till he/she opts to freeze the seat.

Candidates who were allocated their first preference in any round will not be considered in subsequent round/s of allocation.

### 3.7 UPGRADE & FREEZE

All admitted candidates get the opportunity to opt for “Upgrade” or “Freeze”.

#### 3.7.1 Upgrade

An admitted candidate can select the 'Upgrade' option, which will allow upgradation to a higher preference submitted by the candidate. Admitted candidates who opt for upgradation will be considered for upgradation based on the allocation and upgradation policy.

Choosing the option to 'Upgrade' will mean that the candidate consents to consideration of an offer of admission to a Programme of his/her higher preference in the subsequent round (if any). His/her current admitted seat will be auto-cancelled if the new preference is allocated. In such a case, his/her “Acceptance” to the upgraded seat will be auto-accepted and the fees will be auto-adjusted.

A candidate who opts for 'Upgrade' can also reorder the Programmes that were higher in preference than the allocated one.

The Programme in which the candidate had taken admission earlier will never be offered to him/her in any subsequent round. Similarly, the Programme/s that were below in the preference order at which the candidate had taken admission earlier will never be offered again to the candidate in any subsequent round.

The upgrade option will not be available for the candidate who was allocated his/her first preference.

It will be the candidate's responsibility to keep checking for 'Upgrade' options in all rounds of seat allocations. **Failure/inability to participate in the upgradation process will not be considered a grievance in any circumstance.**

Selecting an upgrade does not mean an assurance of a seat in the next/ any subsequent allocation round/s.

Upgradation is subject to:

- a. Programme Merit
- b. Order of preferences
- c. Availability of seats

ADVICE
<i>Candidates must "Freeze" their admission when they are satisfied with the allocated seat and do not want to be considered for subsequent allocations.</i>

In case a candidate chooses the 'Upgrade' option but does not get upgraded in the subsequent round of seat allocation, his/her admission to the earlier seat will be retained.

### 3.7.2 Freeze

A candidate who has been admitted to an allocated seat and desires to continue with it should submit a 'Freeze' request through his/her dashboard. **On selecting 'Freeze', such a candidate will not be allowed to opt for "Upgrade".**

If an admitted candidate neither opts for Upgrade nor Freeze and remains inactive, the admission taken by him/her will be retained and s(he) will not be considered for upgradation.

## 3.8 CANCELLATION OF PROVISIONALLY ALLOCATED SEAT/ ADMISSION

1. Failure to 'Accept' the provisionally allocated seat within the stipulated timeline will lead to cancellation of the allocated seat.
2. The provisionally allocated seat will be cancelled if a candidate fails to pay the admission confirmation fees within the stipulated time.
3. The provisionally allocated seat/admission will be cancelled if, at any time, any of the document(s)/ certificate(s) is/are found to be invalid/fraudulent.
4. The provisionally allocated seat/admission will be cancelled if, at any time, it is found that a candidate does not meet the Minimum Eligibility Criteria as declared by UoD.

ADVICE
<i>Once the freeze option has been exercised, a candidate will not be allowed to upgrade.</i>

**A candidate whose provisionally allocated seat/admission is cancelled due to any of the above-mentioned reason/s will forfeit the right to seek admission to UoD for the Academic Year 2026-27, and no fee shall be refunded.**

## 3.9 WITHDRAWAL OF ADMISSION BY THE CANDIDATE

A candidate who has been admitted to a programme but wishes to withdraw can do so through his/her dashboard by selecting the 'Withdraw' option and paying a withdrawal fee of ₹ 1000.00 (non-refundable).

A candidate who withdraws his/her admission will forfeit his/her eligibility for admission to the B.Tech.

programmes for the academic year 2026-27. No further participation in any of the subsequent regular allocation rounds, if any, will be allowed.

The Withdrawal option will be suspended on the announcement of the Spot Admission round/s.

The entire admission process for B.Tech. programme is online; therefore, any request sent through post/fax/ e-mail/WhatsApp/by hand/phone calls for withdrawal of admission shall not be entertained

### 3.10 MID ENTRY

Candidates who failed to register within the stipulated time and are desirous of participating later can participate through the Mid-Entry window (as and when announced by the UoD). Such a candidate can do so by paying a Mid-Entry fee of ₹ **2500.00 (non-refundable)**.

A candidate who applies mid-way will not hold any right to claim the seats allocated to candidates who had applied within the stipulated earlier, i.e., during the initial stage. Allocation of seats to such candidates may be considered for subsequent rounds (if any), subject to fulfilment of merit, eligibility criteria, availability of seats, and other rules.

Once the seat has been allocated to the candidate who has applied midway, it will be mandatory for him/her to take admission to the allocated seat. Failure to accept the allocated seat will forfeit the candidate's right to seek admission to UoD. The seats allocated to such candidates will not be upgraded in any subsequent allocation rounds.

Merely registering through Mid-Entry does not guarantee an allocation of seats. Mid-Entry will only be considered after successful remittance of the Mid-Entry fee.

### 3.11 SPOT ADMISSION

After completing regular allocation rounds, if seats remain vacant, UoD may announce Spot round/s of admission.

Candidates who had applied earlier but are not admitted till the date of declaration of the Spot Admission round can participate in Spot Admission Round.

Before the announcement of first Spot Round, all admitted candidates will get an opportunity to opt for upgrade. The vacancy of seats for a Spot Round will be declared after the completion of upgradation process of the candidates who opted for it, subject to upgradation rules. Upon commencement of Spot Round no upgradations will be done.

On the announcement of Spot Admission Round, the dashboard of all the admitted candidates will be kept in '**freeze mode**' and they will neither be considered for upgrades nor allowed to withdraw their admissions.

The allocation in Spot Round will be based only of the scores of the candidates who apply in the respective Spot Round. Hence, the minimum allocation score of each Spot Round will be independent of all previous rounds.

To be considered in a Spot Admission Round, the candidate will have to opt for '**Spot Admission**' through his/her dashboard.

In Spot Admissions, allocations will be done based on the following criteria:

1. Availability of seats
2. Merit of the candidate
3. Category
4. Preferences of the candidate
5. Any other allocation rules, policies, or criteria as mentioned in this document (BoI (B.Tech.)-2026), or published on the admission website of UoD.

It will be mandatory for the candidate to take admission to the seat allocated in a Spot round. Failure to accept the allocated seat in the Spot Admission round will forfeit the candidate's eligibility for admission to UoD.

There will be no option of 'Upgrade' and 'Withdraw' during the Spot Admission rounds.

### 3.12 REMITTANCE OF FEE

Admission of a candidate will be deemed confirmed only after the successful realization of the admission confirmation fee. The admission confirmation fee must be paid only through the candidate's dashboard.
